01 WHERE WE STARTED

What we built it around.

01

We make people drink more apples.

Your line, from your ciders page. Option 1 turns the whole window into your can, tearing up through your chain link.

02

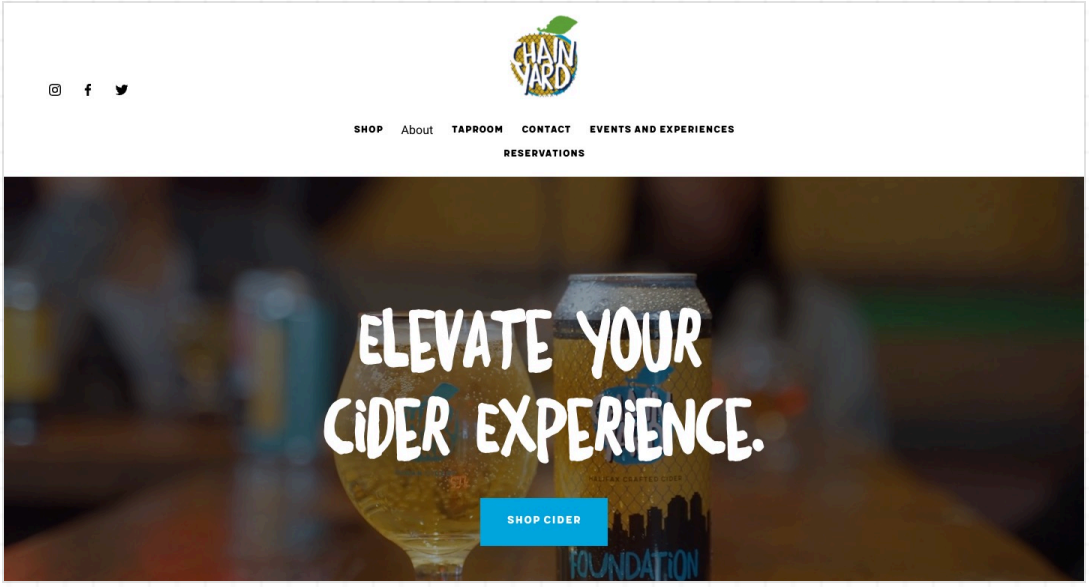

You will feel welcome in our taproom.

From your taproom page. Option 2 lets your neon sign light the room, and the words come up with it.

03

This is our Foundation.

From your homepage. Option 3 stands your real can on a calm shore, with the sentence breaking around it.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new site for Chain Yard: the homepage, your ciders, your food menu, your tasting room and events, your online shop, and a way to get in touch, built out from the top you've just seen. Live on your domain within a week of saying go.	$3,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$199
03	**A launch email** Designed and written for your regulars and your list, so the people who already love your ciders hear about the new site and the next release from you.	$495
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$495
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant built around your tasting room, so callers asking about hours, what's pouring, the kitchen or this weekend's events get an answer while your team is pouring, and every call becomes a short written record.	$149
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$49

PLUS, WHEN YOU SAY GO BEFORE 13 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email and line it up for your regulars and your list, ready to go out on launch day.	$250

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE
~~$5,137~~	$3,500	If the site isn't live within a week of go, your first three months of changes are free.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

Nothing moves. You stay on Squarespace, at the same addresses, with the same pages and business details, so everything Google already knows keeps working. The new design is fast and built for phones first, which Google rewards. We don’t promise rankings.

02

Is it secure?

Yes. Your site stays on Squarespace, which looks after the hosting, security updates and checkout. The new design is tested on a preview of your real site before anything goes live.

03

Who owns it?

You do. The site and the domain stay in your Squarespace account, in your name. Nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,750) when you say go, the rest ($1,750) when the site is live. You've seen the homepage before paying anything.
